Are you looking for a childcare place for your child?  
At the information evening, we will show you how the "Kita-Finder"  
(daycare finder) works: You will learn how to find a suitable daycare  
center, register your child, create a parent account, and check the status of  
your application. There will, of course, also be time for your questions.

For more information, please contact:  
[Elternnetzwerk@braunschweig.de](mailto:Elternnetzwerk@braunschweig.de)  
Phone: 0531 470 7363

The event will be held in German. Language interpretation and childcare  
for children aged 3 and up can be requested until September 18, 2026.
